Our day is a busy one with free play, creative art experiences, science and sensory, circle time, and dramatic experiences. We are socially distancing where possible and setting up the room for individual play experiences. We go outdoors twice a day (one hour each time). Please dress your child appropriately for the weather.

As we would like to avoid things going in and out of the centre, we ask that you bring your child's belongings in a bag/backpack that can be left here. Please bring in extra clothes for your child, which will be kept in their cubby. We will send your child's art and crafts home on Fridays with their bag/backpack. We provide blankets at the centre, that are washed weekly or if soiled. You may bring a blanket for your child, but keep in mind, the blanket will have to stay at the centre and that we will wash it weekly or if soiled. Please don't bring in any toys from home.

We use the HiMama app at the centre. It is a great way to keep in touch with us and observe your child's day. With the app we are able to post pictures, observations, diaper/washroom routines, food intake, how much your child slept, as well as send messages. It is a great way for us to communicate with you. You can send us a message through the app and we will try to respond to you as soon as we can.

Please don't hesitate to call us at (416) 394-7601, e-mail us at toddler2lccc@gmail.com or message us through HiMama with questions or concerns that you may have. We are here for you!
