Creative materials will be available throughout the day in individual bins, should a child wish to use them. Each child will be provided with their own sensory baskets, along with their own class-made sensory items examples I Spy bottles, liquid bottles and watch me grow. We have new and interesting individual activities as their own picture puzzle, wooden letter name puzzles and all about me book as well as group led activities available throughout the room, with the areas and/or toys being cleaned immediately after each child's use or participation. Group activities will be done in a socially distanced manner wherever possible.

Documentation/observations will be on HiMama daily - at least one picture of your child participating in an activity each day will be uploaded, along with an indication of the skills they are using and developing during that activity. You can also message us and we will do our best to respond in a timely manner. For an immediate response, please call the office and they will be sure to pass on the message or connect you to our room.

Please feel free to contact us should you have any questions or concerns.

We look forward to seeing you all soon!
